

# Committee Distribution Report

**Report Description:** Displays the number of potential students for each I-CAR course in each Pro-Level of the I-CAR Professional Development Program for an individual committee.

**Report Objective:** Assist I-CAR Committees when planning I-CAR class schedules.

**WIFM (*What's In it For Me?*):**

This report provides committees and instructors an initial look into potential class demand based on the Professional Development Program. It provides guidance for setting priorities driven by data at the Committee market level. This report contains information to assist in decisions concerning I-CAR course selection and I-CAR class frequency when setting class schedules.

**Report Details:**

- Available for I-CAR Committee officers from their Committee Roster in MyI-CAR.
- Available through an I-CAR Regional Manager or Field Support Specialist.
- Delivered in standard pdf format.
- Includes “Run Date” because information is updated daily.
- Displays in descending order of Potential Students.

**I-CAR Courses:**

- Includes only I-CAR courses needed for the Professional Development Program.

**Potential Students:**

- Includes individuals with roles declared by their organization.
- Includes individuals who have at least one I-CAR course completed with that committee code in the past four years.
- Includes individuals who have not taken that I-CAR course.
- Include individuals who are registered for that I-CAR course in the future.
- Does not include individuals who have already passed that I-CAR course.
