

**Announces...**  
**TRAINING DELIVERED VIA WEBEX**

- **Live training delivered directly to your local group through the Internet and phone**
- **Allows more training to take place easily during the workday**
- **Allows training to take place at your facility, reducing travel to classes**
- **Provides training with the same inter-industry interaction as a traditional I-CAR class, but not only from your local area, from across North America**

**Become a host site for I-CAR Training via WebEx today!**

Here's what you'll need:

- **Computer with:**
  - Microsoft Windows 95, 98, ME (Millennium Edition), XP, NT, or 2000
  - Intel Pentium 500 MHz or faster processor
  - 64 MB RAM (128 MB recommended)
  - Microsoft Internet Explorer 4.x or later, Netscape Navigator 4.x, or AOL 5.0 or later
  - JavaScript and cookies enabled on the Web browser; ActiveX enabled on Internet Explorer
  - Broadband Internet connection (DSL/Cable/T1) etc.
  - WebEx Training Centre software client (free download from WebEx)
  - Speakers
- **Separate phone line**
- **Speaker phone or conference phone**
- **Conference room/meeting room with phone line, phone and computer with requirements listed above**
- **A volunteer from your facility, or a local I-CAR Committee member to become the Administrator. This person will register students, collect I-CAR student paperwork and start the training session.**
- **A facility manager, supervisor or local committee member to proctor the post-test.**

**Need more information on how you can host the latest I-CAR training available?**

**Call your I-CAR Regional Manager - 800.ICAR.456 or visit [www.i-car.com](http://www.i-car.com)**
