CLASS PAYMENT POLICY

Your training is important and so is the timely reporting of credit for programs that you have taken. In order to keep prices as low as possible and ensure that your points are included on your transcript, I-CAR's policy is to require that all student fees be paid prior to taking training. The most cost-effective way of paying for your training is to register and pay online using a major credit card. You can also purchase discount coupons in advance and present them to the instructor prior to the beginning of the class. Major credit cards or checks made out to I-CAR are accepted at the door; however the "Walk-in" rate for checks or credit cards will apply for entry into class.

CLASS TRANSCRIPTS

I-CAR offers you the opportunity to print individual transcripts at no charge through your my.i-car account. If you don't already have an account, simply log into my.i-car.com. It takes just a few moments to create a secure account where you can access your training records 24/7. If you've already taken I-CAR training, be sure to have your I-CAR ID available when creating your account. Transcripts are mailed quarterly to individuals who have completed I-CAR or I-CAR recognized training during that period. Should you wish to request a transcript reprint directly from I-CAR, there is a \$35 fee per request.
