

Academic AllianceSM Student Application

Application Process

Student applications will be used to verify schools eligibility to offer students the opportunity to redeem credit using the I-CAR[®] Academic Alliance program. If the training program is recognized, credit may be offered which apply to the I-CAR Gold Class Professional[™] and Platinum Individual[™] programs.

Please ensure the following checklist is complete before sending in the application to avoid having the application returned to the student.

Application Checklist

- Include student's career and technical school or college transcript
- Include payment (either check or credit card number)
- Instructor initialed application (For courses taught at the school)
- Student has received a student CD for each course for which they are applying

The majority of applications I-CAR receives are paid for by employers and students should know that they do not need to apply for I-CAR credit immediately after graduation. We encourage students to use earned I-CAR credit as a resume builder.

Application must be mailed or faxed to the I-CAR Training Support Center:

I-CAR Training Support Center
Attn. Rudy Aranda
5125 Trillium Blvd
Hoffman Estates, IL 60192
academicalliance@i-car.com
Phone: 800.422.7872, Ext. 288
Fax: 847.590.1215

NOTE: By requesting I-CAR credit through this application, you agree to the terms of our Privacy Policy. The Privacy Policy can be viewed in its entirety at www.i-car.com.

I-CAR credit hours

As a not-for-profit training organization, I-CAR makes every effort possible to keep training timely, relevant, and affordable to the collision repair inter-industry. I-CAR has shifted from its traditional "points" system to a "credit hour" system. The conversion is three (3) credit hours replacing one (1) point for a regular I-CAR class.
