FOR IMMEDIATE RELEASE

August 16, 2002

## **I-CAR® INDUSTRY TRAINING ALLIANCE® PROGRAMS NOW OFFERED**

ROLLING MEADOWS, IL – August 16, 2002 – I-CAR announces that nine additional training programs have been recently added to the Industry Training Alliance. Formed by I-CAR in 2000, the Alliance brings together technical training providers to optimize the training efforts of the collision industry. The additional programs include:

### **BASF Corporation**

- Glasurit System Process Analysis Re-Certification (2 Gold Class points)
- Glasurit System Process Analysis In-House Re-Certification (2 Gold Class points)
- R-M System Process Analysis Re-Certification (2 Gold Class points)
- R-M System Process Analysis In-House Re-Certification (2 Gold Class points)
- R-M Color Adjustment Techniques In-House Certification (2 Gold Class points)

### **Car-O-Liner**

- Today's Structural Repairs For Educators (6 Gold Class points)

### **DuPont Automotive Finishes – United States**

- Refinisher ChromaSystem Class (5 Gold Class points)
- Color Adjustment Class (4 Gold Class points)

### **Standex North America**

- Product Training Certification (6 Gold Class points)

On a special note, with the addition of Car-O-Liner's above-mentioned program, all of Car-O-Liner's training programs are now approved in the I-CAR Training Alliance.
