ARIZONA STREET ROD ASSOCIATION TO DISPLAY VEHICLES DURING I-CAR INTERNATIONAL ANNUAL MEETING CRUISIN' NIGHT

HOFFMAN ESTATES, IL – April 28, 2008 – The 2008 I-CAR International Annual Meeting in Scottsdale will bring a flare of exotic, hand-formed customized vehicles, and owners for a unique show that will serve as the finale to the three-day meeting. The public has been invited to join I-CAR, professionals in the collision repair inter-industry, and the Arizona Street Rod Association (ASRA) for an “I-CAR Cruisin’ Night.” Local car clubs will have their club vehicles on display at Fairmont Scottsdale for a mini-car show. ASRA will be displaying 20+ of their club cars and other clubs are expected to participate.

ASRA President Rick Johnson said, “The Arizona Street Rod Association is an active association which encourages and maintains an interest in street rodding in Arizona for fellowship, recreation and safe rodding. The club promotes street rodding through sporting events, social activities and local car shows. The Arizona Street Rod Association is happy to be a part of the “I-CAR Cruisin’ Night” by providing 20-25 ASRA members street rods for your display and viewing.”

I-CAR Cruisin’ Night will be taking place Saturday July 26, 2008 in Scottsdale, Arizona; the entire meeting takes place July 24 – 26. Visit www.i-car.com/annualmeeting for additional event details and register now to join professionals from around the world. Visit www.azstreetrods.com for additional information on the ASRA.

###

I-CAR, founded in 1979, is an international not-for-profit training organization dedicated to improving the quality, safety, and efficiency of auto collision repair for the ultimate benefit of consumers.
