## I-CAR TO PARTICIPATE IN 2009 BODYSHOP BUSINESS WATERBORNE CONFERENCE

HOFFMAN ESTATES, IL – March 24, 2009 – I-CAR will offer *Waterborne Products, Systems, and Application* (REF07) live training at the 2009 BodyShop Business Waterborne Conference to be held August 13 – 14 at the Sawmill Creek Resort & Conference Center in Huron, Ohio.

In addition to I-CAR training, the conference will offer a tradeshow and presentations by leading experts in the industry providing collision repairers with an opportunity to learn more about waterborne basecoats and environmental regulations that mandate their use.

The I-CAR *Waterborne Products, Systems, and Application* training program details:

- Types of waterborne materials in use
- Differences between waterborne and solvent-borne systems
- Surface preparation and equipment requirements
- Drying processes
- Storage and waste disposal considerations
- Typical conversion processes

You must register for I-CAR training and the conference separately. To register for *Waterborne Products, Systems, and Application* (REF07) at the conference please visit the quick class search feature at [www.i-car.com](http://www.i-car.com), for more information about the conference go to [www.bodyshopbusiness.com](http://www.bodyshopbusiness.com).

###

*I-CAR, founded in 1979, is an international not-for-profit training organization dedicated to improving the quality, safety, and efficiency of auto collision repair for the ultimate benefit of consumers.*
