

# I-CAR® Volunteer Training 2016

I-CAR offers a series of four courses to provide a foundation of knowledge for more effective service to current and future I-CAR students.

The 2016 Volunteer Training courses have been updated to reflect changes that have occurred for this year. I-CAR recommends these courses for newer committee members to build a better understanding of committee purpose, objectives, and activities. Long-time members should be able to find something new as well.

For efficient I-CAR Committee operation, information from each module should be represented in each committee by at least one member every year. This is also an annual committee goal.

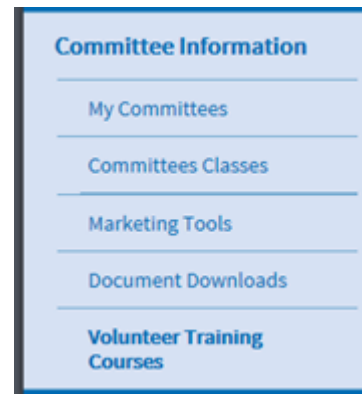

**Introduction** – A brief description of the I-CAR Volunteer Training Series (5:00).

<https://i-car.connectsolutions.com/p9qkkpho5sc/>

For access to each of the Volunteer Training Courses, go to your *myI-CAR* account. Under “Committee Information” there is a link to the page where you can select each of the courses.

Once selected, the course will be placed in your My Classes area and is available for viewing immediately or at a later time.

Completion of the course will automatically give you and your committee(s) credit.

## Volunteer Training 2016

I-CAR offers a series of four modules to provide a foundation of knowledge for more effective service to current and future I-CAR students.

Volunteer Training modules have been updated to reflect changes that have occurred during the last year. I-CAR recommends these for newer committee members to build a better understanding of committee purpose, objectives, and activities. Long-time members should be able to find something new as well.

For efficient I-CAR Committee operation, information from each module should be represented in each committee by at least one member every year. This is also an annual committee goal.
