

# MAKE A DIFFERENCE.

I-CAR depends on a network of part-time instructors and volunteer committee members to bring affordable training to local areas that meets local needs. Together, instructors and volunteers work to develop class schedules, meet face-to-face with local industry professionals, and work toward the I-CAR vision that every person in the collision industry, current and future, has the necessary knowledge and skills relevant to their position to achieve a complete and safe repair.

Make a difference in the collision repair inter-industry by sharing your knowledge or offering your time.
